APRIL TOUR

BUDWEISER BREWERY
221 Daniel Webster Highway
Merrimack, NH 03054
Wednesday, April 25, 2012

Must register by Monday, April 23

Tour Anheuser Bush (aka Budweiser) in Merrimack. This is not the weekend tour you did with your kids once. This is a look into the back rooms where the mechanicals are located. You will not only see the beer making process from start to finish, but you will also see the mechanicals that keep this building going.

We did this tour several years ago and it has always been one of the best. Don't miss it.

There will also be a catered meal at the plant, so there is no meal choice this month.

DIRECTIONS to Budweiser:

1. Everett Turnpike to exit 10
2. From exit, go to Daniel Webster Highway (route 3)
3. Left on Daniel Webster, brewery will be on your right.

DINNER DIRECTIONS:

Dinner will be catered at Budweiser.

GUEST SPEAKER

Our scheduled speaker had a conflict, so Dan is working the phones to recruit one of our vendor members to share his expertise with us. Dan has high standards for his speakers, so you can be sure the presentation will be a good one.

MEETING REGISTRATION

The cost of the meeting and dinner is \$30.00 for members and guests

You **MUST** register through Survey Monkey. Email registrations will no longer be accepted. You can email me if the link does not work, but please don't email me to register.

Please get this right. We are now providing name tags with your name and company, so this information is important. If your name tag is hand written, everyone will know you screwed this up! And every month there are still hand written name tags.

- 1. State your name, the company or facility you work for, and any guests you may be bringing. If only attending the tour, state your name and then state "tour only".**

Answer all the appropriate questions when you go to the link below.

Easy, right?

Go to <http://www.surveymonkey.com/s/G3H972R>, answer the questions in the boxes provided, and then submit the survey. When I open it, it will give me a list of who is coming (including guests) and what the meal choices are. Nametags will be made based on the information provided here.

A NOTE ABOUT REGISTERING

When you register to attend the tour and meeting, we reserve a meal for you. We provide those numbers to the restaurant on Monday so they can purchase and prepare our meals for the meeting. Once we specify the number of meals, we are obligated to pay for them. **The Board wants all members to be reminded that we will have to charge members that register to attend but don't show.** If circumstances change and you can't make it, you must let us know by noon on Monday. Any notice after that may still result in a charge.

We are still getting no shows, which forces us to send you a bill even if you didn't attend. And we are still getting attendees that didn't register. That leaves us short on food.
